Manatees

Manatees are soft, gentle mammals. They are found in shallow, slow-moving rivers, bays and coastal waters. Manatees feed on seagrass beds and other underwater plants. The United States population is only 1,800. Manatees are one of the best known on the endangered species list. They are mostly killed by the propellers on motorboats. They spend their time feeding, resting and travelling. Manatees can grow to be longer than 12 feet and can weigh 1,000 pounds!

EDITOR'S NOTEBOOK

Dear Archie Readers,

I receive many letters from fans who would love to see an Archie Newsletter. While this column does serve as somewhat of a newsletter, I guess it would be nice to have monthly updates about what's hot in the Archie universe.

Well, Archie fans, here's some good news. If you're an old fan, a new fan or are enjoying Archie and his friends for the first time, there IS a newsletter for you. It's called RIVERDALE RAMBLINGS. Produced by Jeffrey C. Branch, RIVERDALE RAMBLINGS presents fascinating and insightful articles about Archie comics. You'll meet many of the people who work behind the scenes to create the very best in humor comics. Also included are story reviews and some little known history about the company. If you would like to receive an order form, just write to:

JEFFREY C. BRANCH, 5938 Irving Street, Philadelphia, PA 19139.

Speaking of news, here's a little peek into the future...and just in time for....yes...the long-awaited SUMMER VACATION. It's CHERYL BLOSSOM in her very own 3-issue MINI-SERIES. The first issue will go on sale JULY 4th weekend. You'll have a BLAST. Don't miss a single one.

Tuesday

Took Tim his favorite cereal, Cap'n Crunch. He's not sure about giving a speech to his class.

Helped Tim with speech. Told him to pick a topic he enjoys. Tim picked mountain bikes. We had a bowl of my delicious cereal.

Tim's speech is getting better. Got him to imagine his audience in their underwear so he wouldn't be so nervous. Brought Tim 2 more boxes of Crunch. He loves that sweet crunchy taste!

Tim can't wait to give speech. Maybe all he needed was to crunch up his confidence. Cleaned my room. Have to stop eating my cereal in bed.

Sent blue suit to cleaners.

Tim's speech was terrific! Got applause from the whole class. I knew he could do it. Weekend! Time to go to national speed boat races!
